flex

At Flex, we welcome people of all backgrounds. Our employees thrive here by living our values: we support each other as we strive to find a better way, we move fast with discipline and purpose, and we do the right thing always. Through a respectful, inclusive and collaborative culture, a career at Flex offers the opportunity to make a difference, invest in your career growth and join our purpose -- to make great products that create value and improve people's lives.

We are looking for you. Do you work independently, bring the necessary professional experience and are you a team player in a multi cultural environment. Then we would like to get to know you personally for the role of Shift Operator in the area of Operations / Medical Injection Molding for our location in Küssnacht am Rigi.

Shift Operator 100% - (a) / (3-4 Shift)

Here is a glimpse of what you'll do:

- Carrying out quality controls according to test instructions
- Carrying out departmental and plant-related cleaning work
- Material management in the existing ERP system
- Working and adhering to the hygiene and zone concept
- Support and cooperation in production
- Operation and troubleshooting of semi- and fully-automated assembly lines as well as injection molding equipment
- GMP-compliant execution and documentation of order processing (production dossiers, event control, keeping log books, etc.)
- Carry out simple repairs and maintenance of the machines and equipment

Here is some of what you'll need:

- Several years of professional experience in the field of plant and machinery, ideally in the field of injection molding / plastics processing (with automation)
- Good technical understanding of complex automated processes
- GMP experience
- Precise and accurate work
- Very good written and spoken German
- Team-oriented, communicative and independent are important aspects
- Basic PC knowledge
- Experience in 3 / or 4 shift operation are prerequisites

We offer you:

- Professional and modern working environment

- Detailed induction
- Minimum 25 vacation days
- free parking
- E-Car charger

Do you see yourself in this role? Then we are looking forward to your electronic application.

We are curious to learn more about you.
