Zur Unterstützung unserer aussergewöhnlichen Teams, die grossartige Produkte entwickeln und zu unserem Wachstum beitragen, suchen wir dich als **Material Planning Analyst (a)** in **Hägglingen / AG**.

In der Rolle des **Material Planning Analyst (a)** berichtest du an den Production Planning Manager.

Material Planning Analyst - 100% (a)

What a typical day looks like:

- Dedicated support for the assigned customer portfolio;
- Assuming planning responsibility for an assigned product range through to on-time delivery;
- Determining requirements for semi-finished and finished goods as well as raw materials and purchased parts;
- Headcount planning, production planning and control in the areas of injection molding and post-processing;
- Issuing and monitoring production orders;
- Maintaining master data in the ERP system;
- Monitoring forecasts and preparing long-term planning and capacity forecasts;
- Carrying out and documenting department-related work processes in compliance with GMP requirements;
- Coordination with Finance, Sales, Production and Toolshop.

The experience we're looking to add to the team:

- Vocational training in a technical field (plastics technologist / polymechanic), further training as a process specialist;
- Very good German and English skills;
- Excellent communication skills (internal and external stakeholders);
- Structured working style, time management, accurate and precise work;
- Very good knowledge of MS Office and ERP systems; experience in GMP documentation is an advantage;
- Driver's license.

Here are a few examples of what you'll get for the great work you provide:

- Comprehensive onboarding;
- Professional and modern working environment with free parking and EV charging stations;
- Interdisciplinary collaboration with local and global partners;

- Access to personal and professional development opportunities

Please note that our recruitment team is based in Austria and therefore you may be called by an international number (+43..).

We look forward to meeting you in person!
